because our patients are special

That's why we're dedicated to providing your family with health-centered dental care and service that exceeds your expectations.

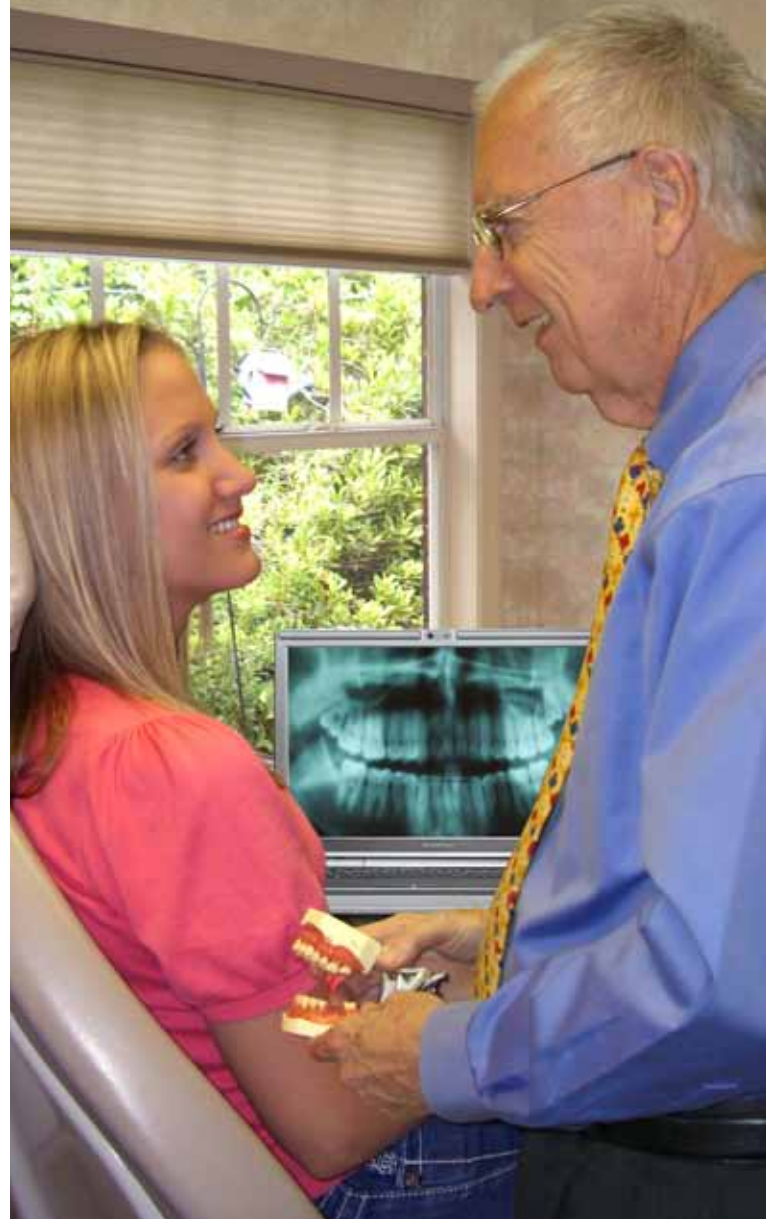

Your time is valuable! We carefully schedule your appointment so that you will be seen promptly.

Our beautiful office offers an inviting and relaxing atmosphere.

We educate you about the proven benefits of preventative dentistry and how it relates to your general health.

Dr. Erbes carefully explains what is involved in providing the best treatment for your dental health.

We love what we do – creating and preserving beautiful, healthy smiles!

You will be treated like family

Dr. Erbes is a family man and treats his patients just like he does any member of his family – with the utmost of care!

During your child's dental visits, we work to help them develop the necessary skills and habits to enjoy lifelong excellent oral health.

We educate our patients about the benefits of preventative dentistry and how it relates to general health.

Our cosmetic dentistry can create natural looking teeth, resulting in a positive impact on self-esteem.

Dr. Erbes has extensive experience successfully treating the unique needs of TMJ patients.

We understand the sometimes complicated medical history of our senior patients and work with them to meet their special needs.

Our skilled professional team takes great pride in understanding and caring for your individual needs and concerns.

Caring, understanding, professional

Don Erbes' warmth, character and competence puts his patients at ease and allows them to feel comfortable in his care.
